APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights. It is understood that the one cubic foot of water per second herein granted is only a temporary allowance and the final water right obtained under the permit will be dependent upon the amount of water actually placed to a beneficial use. It is further understood that adequate devices when necessary will be installed by the applicant to facilitate the measurement of water. The State reserves the right to regulate the use of water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.00 cubic feet per second.

Actual construction work shall begin on or before June 6, 1929

Proof of commencement of work shall be filed before July 6, 1929

Work must be prosecuted with reasonable diligence and be completed on or before June 6, 1931

Proof of completion of work shall be filed before July 6, 1931

Application of water to beneficial use shall be made on or before June 6, 1934

Proof of the application of water to beneficial use must be filed with State Engineer on or before July 6, 1934.
